OFFICE OF THE UNDER SECRETARY OF DEFENSE

WASHINGTON, D.C. 20301

24 July 1981

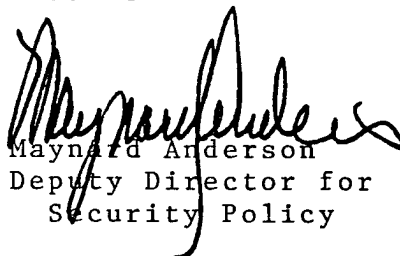

MEMORANDUM FOR THE DEPARTMENT OF DEFENSE MEMBERS
OF THE DCI SECURITY COMMITTEE

Subject: Coordination of Changes to DoD Directive 5210.48,
Subject: "The Conduct of Polygraph Examinations
and the Selection, Training and Supervision of
DoD Polygraph Examiners"

Under the auspices of the Director, Security Plans and Programs, Office of the Deputy Under Secretary of Defense (Policy), changes to subject directive will be staffed for coordination among the Military Departments and Defense agencies.

There was consideration given to delaying coordination of any changes until after settlement of the issue of potentially expanded polygraph use in the Intelligence Community. However, since final decision on that issue may be some time away, and there are changes to the directive that are needed now, coordination was initiated.

Any further changes required if expanded use of the polygraph is approved in the Intelligence Community and the Department of Defense will be coordinated at the appropriate future time.

Maynard Anderson
Deputy Director for
Security Policy
